

ALLIANCE / TYRES / PRODUCT SPECIFICATION

710/60R34 Alliance 378 AGRI-STAR XL 164D / 167A8

The 378 Agri-star XL Large Volume series is dedicated for application on High Power Tractors, Combines / Harvesters and big Trailers. 378 Agri-star XL provides very good performance at the price level of standard tires. Specific tread pattern and tire construction enables use on numerous multipurpose applications. The tread pattern and lugs are designed to enable a comfortable and smooth run on hard surfaces, combined with high traction and excellent self cleaning abilities. Strong textile casing, reinforced by rigid belts guarantee stable tire dimensions, high puncture protection and huge tire to soil contact area. Long tread life is provided by advanced rubber compound which along with durable sidewalls, contribute to a longer overall tire life.

Technical specification

Brand	Alliance
Range	378 AGRI-STAR XL
Size	710/60R34
Section width (mm)	710
Overall diameter (mm)	1712
Loaded static radius (mm)	771
Rolling circumference (mm)	5128
Listed rims	DW23B
Rating	164D 167A8
Load index	164 / 167
Speed rating	D / A8
Service description	164D / 167A8

Specification notes

Multiple service descriptions are listed for this size. Tell us your application, load and speed so the required specification can be confirmed.
