

ALLIANCE / TYRES / PRODUCT SPECIFICATION

650/65R26.5 IMP Alliance 388 XT 174D

The Alliance 388 XT is a modern, aesthetically pleasing tire that is made to withstand heavy loads in demanding agricultural applications ranging from Tankers to special trailers (eg. for sugar cane production and implements). The directional tread pattern provides moderate traction as well as efficient self-cleaning. The tire's large soil contact area, strong rounded lugs and low inflation pressure promises low ground pressure thus minimizing soil compaction and damage. Dense lug distribution around the tire enables smooth and efficient movement on roads.

Technical specification

Brand	Alliance
Range	388 XT
Size	650/65R26.5 IMP
Section width (mm)	643
Overall diameter (mm)	1519
Loaded static radius (mm)	679
Rolling circumference (mm)	4652
Listed rims	AG20.00X26.5
Load index	174
Speed rating	D
Service description	174D
