

ALLIANCE / TYRES / PRODUCT SPECIFICATION

710/55R34 IMP Alliance 388 XT 177D

The Alliance 388 XT is a modern, aesthetically pleasing tire that is made to withstand heavy loads in demanding agricultural applications ranging from Tankers to special trailers (eg. for sugar cane production and implements). The directional tread pattern provides moderate traction as well as efficient self-cleaning. The tire's large soil contact area, strong rounded lugs and low inflation pressure promises low ground pressure thus minimizing soil compaction and damage. Dense lug distribution around the tire enables smooth and efficient movement on roads.

Technical specification

Brand	Alliance
Range	388 XT
Size	710/55R34 IMP
Section width (mm)	710
Overall diameter (mm)	1652
Loaded static radius (mm)	756
Rolling circumference (mm)	5124
Listed rims	DW23B DW24B DW20B
Load index	177
Speed rating	D
Service description	177D
