

ALLIANCE / TYRES / PRODUCT SPECIFICATION

14.9-24 Alliance 533 145A8 12 PR

Alliance 533 is an industrial drive tire constructed for non-agricultural applications. The robust diagonal construction with the additional number of plies provides excellent ground stability and load carrying capacity which is vital while plying through uneven surfaces (construction sites). A specially designed tread pattern promises high traction with excellent self-cleaning, better braking and high on-road mileage.

Technical specification
