

ALLIANCE / TYRES / PRODUCT SPECIFICATION

280/80R18 (10.5R18) Alliance 580 132A8 / 132B

Alliance 580's unique tread pattern enables strong grip and high traction performance on soft surfaces, as well as comfortable work on hard surfaces. Its carcass construction contributes to high stability of the machine, especially when working on sloppy terrains, and complete puncture protection. This tire, because of its central lug design, is well suited for both on and off road making it a good tire for multi-purpose transportation. The tires' long tread life and low tread wear are based on its specific tread design and durable tread rubber compound.

Technical specification

Brand	Alliance
Range	580
Size	280/80R18 (10.5R18)
Section width (mm)	282
Overall diameter (mm)	905
Loaded static radius (mm)	415
Rolling circumference (mm)	2776
Listed rims	W9 W10
Rating	132A8 132B
Load index	132
Speed rating	A8 / B
Service description	132A8 / 132B

Specification notes
