

ALLIANCE / TYRES / PRODUCT SPECIFICATION

340/80R18IND (12.5/80R18IND) Alliance 580 143A8 / 143B

Alliance 580's unique tread pattern enables strong grip and high traction performance on soft surfaces, as well as comfortable work on hard surfaces. Its carcass construction contributes to high stability of the machine, especially when working on sloppy terrains, and complete puncture protection. This tire, because of its central lug design, is well suited for both on and off road making it a good tire for multi-purpose transportation. The tires' long tread life and low tread wear are based on its specific tread design and durable tread rubber compound.

Technical specification

Brand	Alliance
Range	580
Size	340/80R18IND (12.5/80R18IND)
Section width (mm)	350
Overall diameter (mm)	1001
Loaded static radius (mm)	453
Rolling circumference (mm)	3022
Rating	143A8 143B
Load index	143
Speed rating	A8 / B
Service description	143A8 / 143B

Specification notes

Multiple service descriptions are listed for this size. Tell us your application, load and speed so the required specification can be confirmed.

Please ask Nordic to confirm the remaining dimensions and wheel requirements for your application.
