

ALLIANCE / TYRES / PRODUCT SPECIFICATION

365/70R18 IND Alliance 608 146 TL

Alliance 608 is an innovative approach to compact machinery tire design. It provides low motion resistance which contributes to lower fuel consumption of compact machines. The tire's tread pattern is an optimized on/off road pattern with shoulder lugs for traction in the fields, as well as long tread life because of massive central blocks when the machine works on harder surfaces. The tire construction includes both, all fabric and steel belted variants.

Technical specification

Brand	Alliance
Range	608
Size	365/70R18 IND
Overall diameter (mm)	969
Section width (mm)	360
Rolling circumference (mm)	2922
Loaded static radius (mm)	433
Listed rims	11 13
Tube type	TL
Rating	146
Load index	146
