710/45-26.5 Alliance 643 FORESTAR III ELIT 173A8 / 180A2 24 PR

Alliance 643 Forestar III ELIT, equipped with advanced low pressure technology, enables the user to carry the same load at half the inflation pressure. This technology ensures a wider footprint than usual, protecting the soil against compaction. The wider footprint also provides exceptional grip & traction even without tracks under critical forestry conditions. Excellent self-cleaning, superior grip, and resilient construction makes 643 Forestar III ELIT the perfect solution for all your forestry needs.
