

ALLIANCE / TYRES / PRODUCT SPECIFICATION

11.00-20 Alliance 699 163A2 / 150B 16 PR

Alliance 699 is a versatile, diagonal lug tire designed to provide excellent traction and durability in every working condition. The closed lugs at the center increase the tire's durability and make it highly wear-resistant. Its unique lug angles enhance the overall machine productivity and roadability. The superior grip and exceptional ground stability along with good concerning support make it easier for the tires to carry extreme loads on versatile surfaces.
