

ALLIANCE / TYRES / PRODUCT SPECIFICATION

460/85-30 (18.4-30) Alliance AF 333 150A8 / 147B

333 Agro-Forestry is a special forestry construction tire suitable for tough Agro Forestry applications. It's steel belted construction ensures increased puncture protection and minimizes penetration damage. Improved forestry compound provides protection from cut & chip resistance. The tire's high NSD & sharp shoulders provide superior traction, even on uneven ground & wet soil conditions. The shoulder ridge provides added rubber on the critical void area, to help resist penetration and ensures a long tire life. The bridge in the tire's centre line add stability and strength to the base of the lugs. Flatter footprint of the tire results into better ground contact thus offering lower soil compaction.

Technical specification

Brand	Alliance
Range	AF 333
Size	460/85-30 (18.4-30)
Loaded static radius (mm)	702
Rolling circumference (mm)	4584
Listed rims	DW15L W15L W14L DW14L
Rating	14
Load index	150 / 147
Speed rating	A8 / B
Service description	150A8 / 147B

Specification notes

Multiple service descriptions are listed for this size. Tell us your application, load and speed so the required specification can be confirmed.
