

ALLIANCE / TYRES / PRODUCT SPECIFICATION

600/70R30 Alliance AF 670 165D

AF670 is a wide-base radial tire developed for modern and high-power tractors on the heavy-duty field and hauling applications. Special R1-W traction tread pattern, radial nylon casing, rigid belts, mudguard, and unique shoulder design ensure excellent grip and high traction efficiency. The large tire footprint area reduces average ground pressure, minimizing soil compaction and increasing flotation abilities. Strong nylon carcass, rigid belts, and endurance tread rubber compound provides long tire life.

Technical specification

Brand	Alliance
Range	AF 670
Size	600/70R30
Section width (mm)	600
Overall diameter (mm)	1600
Loaded static radius (mm)	740
Rolling circumference (mm)	4810
Listed rims	DW20B
Load index	165
Speed rating	D
Service description	165D
