600/65R38 Alliance AGRI-STAR 365 153D / 155A8 / 159D / 162A8

The Alliance 365 (High-Speed Drive Tractor Radial) tires are available in a complete range of front and rear combination tires. The tread patterns on these tires represent the trend of modern radial agricultural tires with a low aspect ratio. High tire volume along with low inflation pressure provides high traction and increased soil protection. The lug design ensures better self-cleaning with reduced tire slippage. Multi lug angle tread pattern and over-lapping central lugs ensure on & off-road suitability.
