

ALLIANCE / TYRES / PRODUCT SPECIFICATION

VF 320/70R15 Alliance AGRIFLEX+ 381 145D

The Agriflex+ 381 is a tire with a flat tread profile and large footprint. It puts more rubber on the ground. This unique rib-type pattern leads to effective steering and improved lateral traction, thereby reducing soil compaction and prolonging tire life. Moreover, the shoulder lugs prevent any excessive tire slips and consequently save the tire surface from further damage.

Technical specification

Brand	Alliance
Range	AGRIFLEX+ 381
Size	VF 320/70R15
Section width (mm)	320
Overall diameter (mm)	829
Loaded static radius (mm)	363
Rolling circumference (mm)	2506
Listed rims	10LB
Load index	145
Speed rating	D
Service description	145D
