

ALLIANCE / TYRES / PRODUCT SPECIFICATION

VF445/50R22.5 Alliance AGRIFLEX+ 381 167D

The Agriflex+ 381 is a tire with a flat tread profile and large footprint. It puts more rubber on the ground. This unique rib-type pattern leads to effective steering and improved lateral traction, thereby reducing soil compaction and prolonging tire life. Moreover, the shoulder lugs prevent any excessive tire slips and consequently save the tire surface from further damage.

Technical specification

Brand	Alliance
Range	AGRIFLEX+ 381
Size	VF445/50R22.5
Section width (mm)	437
Overall diameter (mm)	1016
Loaded static radius (mm)	454
Rolling circumference (mm)	3105
Listed rims	AG14.00
Load index	167
Speed rating	D
Service description	167D
