

ALLIANCE / TYRES / PRODUCT SPECIFICATION

VF480/45R17 Alliance AGRIFLEX+ 381 157D

The Agriflex+ 381 is a tire with a flat tread profile and large footprint. It puts more rubber on the ground. This unique rib-type pattern leads to effective steering and improved lateral traction, thereby reducing soil compaction and prolonging tire life. Moreover, the shoulder lugs prevent any excessive tire slips and consequently save the tire surface from further damage.

Technical specification

Brand	Alliance
Range	AGRIFLEX+ 381
Size	VF480/45R17
Section width (mm)	489
Overall diameter (mm)	864
Loaded static radius (mm)	386
Rolling circumference (mm)	2668
Listed rims	16
Load index	157
Speed rating	D
Service description	157D
