

ALLIANCE / TYRES / PRODUCT SPECIFICATION

VF500/40R16.5 Alliance AGRIFLEX+ 381 146D

The Agriflex+ 381 is a tire with a flat tread profile and large footprint. It puts more rubber on the ground. This unique rib-type pattern leads to effective steering and improved lateral traction, thereby reducing soil compaction and prolonging tire life. Moreover, the shoulder lugs prevent any excessive tire slips and consequently save the tire surface from further damage.

Technical specification

Brand	Alliance
Range	AGRIFLEX+ 381
Size	VF500/40R16.5
Section width (mm)	484
Overall diameter (mm)	819
Loaded static radius (mm)	369
Rolling circumference (mm)	2527
Listed rims	16
Load index	146
Speed rating	D
Service description	146D
