

ALLIANCE / TYRES / PRODUCT SPECIFICATION

23.1-26 Alliance FARM PRO 324 159A8 16 PR

FarmPRO 324 has a modern curved multi-angled design for both on & off-road applications. It provides superior traction during field operations. The tread pattern is designed to deliver better self-cleaning and superior drive comfort. It's improved tread compound provides high resistance to cut growth. The wide nose bar and the overlapping of lugs at the center help in delivering extended life on hard surfaces. The strong and aggressive shoulders ensure low tire slippage through the better grip.

Technical specification

Brand	Alliance
Range	FARM PRO 324
Size	23.1-26
Section width (mm)	587
Overall diameter (mm)	1600
Loaded static radius (mm)	720
Rolling circumference (mm)	4769
Listed rims	DW20B
Rating	16 159A8
Ply rating	16
Load index	159
Speed rating	A8
Service description	159A8
