

ALLIANCE / TYRES / PRODUCT SPECIFICATION

7-16 Alliance FARM PRO 324 75A6 4 PR

FarmPRO 324 has a modern curved multi-angled design for both on & off-road applications. It provides superior traction during field operations. The tread pattern is designed to deliver better self-cleaning and superior drive comfort. It's improved tread compound provides high resistance to cut growth. The wide nose bar and the overlapping of lugs at the center help in delivering extended life on hard surfaces. The strong and aggressive shoulders ensure low tire slippage through the better grip.

Technical specification

Brand	Alliance
Range	FARM PRO 324
Size	7-16
Section width (mm)	183
Overall diameter (mm)	742
Loaded static radius (mm)	344
