

## ALLIANCE / TYRES / PRODUCT SPECIFICATION

# 520/70R34 Alliance FARMPRO RADIAL 70 148A8 / 148B

The Alliance FarmPRO 70 Series Radial is a highly versatile range that represents the family of modern agricultural radial tires. The multi angle lug design with steep angles at the center enables smooth ride, along with self clearing characteristic. In addition, the shallow angle at shoulder provides superior traction. These tires are characterized by reinforced construction in the bead area and have enhanced bead to bead distance to facilitate perfect fit on the rim. The regular cavity in the tread design ensures a straighter sidewall which enhances the tire's visual appeal.

## Technical specification

|                            |                   |
|----------------------------|-------------------|
| Brand                      | Alliance          |
| Range                      | FARMPRO RADIAL 70 |
| Size                       | 520/70R34         |
