

ALLIANCE / TYRES / PRODUCT SPECIFICATION

710/70R38 Alliance FARMPRO RADIAL 70 172D

The Alliance FarmPRO 70 Series Radial is a highly versatile range that represents the family of modern agricultural radial tires. The multi angle lug design with steep angles at the center enables smooth ride, along with self clearing characteristic. In addition, the shallow angle at shoulder provides superior traction. These tires are characterized by reinforced construction in the bead area and have enhanced bead to bead distance to facilitate perfect fit on the rim. The regular cavity in the tread design ensures a straighter sidewall which enhances the tire's visual appeal.

Technical specification

Brand	Alliance
Range	FARMPRO RADIAL 70
Size	710/70R38
Section width (mm)	716
Overall diameter (mm)	1958
Loaded static radius (mm)	885
Rolling circumference (mm)	5744
Listed rims	DW23B DW23B
Load index	172
Speed rating	D
Service description	172D
