

ALLIANCE / TYRES / PRODUCT SPECIFICATION

620/50R22.5 Alliance FLOTMASTER 381 161D

Alliance Flotmaster 381 is a steel belted radial flotation tire that has been developed to serve the needs of specific niche applications on sensitive surfaces like grasslands, which require optimized soil and plant protection. The unique rib type pattern, together with rounded shoulders and more aggressive lugs, enables maximum possible tires footprint and lowest possible ground pressure. The shoulder lugs, with excellent self cleaning capabilities, enable strong grip, thus preventing any excessive tire slippage and any consequent damage to the surface.

Technical specification

Brand	Alliance
Range	FLOTMASTER 381
Size	620/50R22.5
Overall diameter (mm)	1170
Listed rims	20 23.6
Load index	161
Speed rating	D
Service description	161D
